

The diagram shows a template for a swing tag. It features a blue outer border representing the bleed area. Inside this is a red dashed line representing the trim line. The top corners of the tag are cut at a 45-degree angle. A green dashed line indicates the safe area, which is 3mm inside the trim line. At the top center, there is a hole with a 5mm diameter, indicated by a solid red circle. The text instructions are located in the center of the tag.

SWING TAG — BANNER, CUT CORNERS 55 × 90MM

Supply this file at 61 × 96mm — 3mm bleed on all four edges

Keep text and logos 3mm inside the trim line

5mm hole 12.5mm down — keep the 11mm circle clear

Delete these guides before you export · hshprints.com.au

SAFE · 3mm · keep anything that matters inside

TRIM · 55 × 90mm · the finished size

BLEED · 61 × 96mm · this 3mm is cut off
